**Thank you for supporting Renaissance!**

**At** the Delaware Chapter of Renaissance, we support transgendered people through a variety of education, outreach, and social activities. For many of us, attending our first group meeting was our first step toward understanding and self-acceptance. Nevertheless, that first time out can produce some anxiety. We understand, and we try to make everyone feel at home, regardless of their experience in public.

Our gatherings are informal. On most evenings we have a guest speaker or other program, announce events of interest to the transgender community, and socialize afterwards. There is no dress code other than appropriate public attire. Facilities for changing clothes are available. There is no interview, and we will respect your desire for privacy. You may remain as anonymous as you wish. All we ask for is a name by which to call you. You do not have to be a member to attend, although after your first meeting, we do ask that you become a member, or donate \$5 per meeting.

Our dues are \$35 per year. Your membership begins when we receive payment. Each member receives our monthly newsletter, *Delaware Renaissance*. However, if you do not wish to receive mail, we will honor your request. Chapter dues help defray our expenses, such as meeting room and post office box rental, printing and postage, and refreshments. Dues alone, however, are not enough to sustain the chapter. All that we do is through the volunteer efforts of our members. We depend on the continued financial support of our members and friends to operate, but we will not turn anyone away for their inability to pay.

Renaissance is an "open" organization, which means that we welcome any adult concerned about gender identity: crossdressers, transsexuals, transgenderists, the intersexed, or those simply questioning, as well as their spouses, friends, and interested professionals. Renaissance is a non-profit educational organization under section 501(c)(3) of the tax code. The use of alcohol or drugs, sexual activity, and disruptive conduct are strictly prohibited at our functions.
